William Lamson was born in Arlington, Virginia. His video works often find him playfully and strenuously interacting with his environment (both in the natural world and in his studio).

Lamson's work is included in the permanent collections of the Brooklyn Museum (NYC), the Dallas Museum of Art (TX), the Houston Museum of Fine Arts (TX), and the Progressive Art Collection (Cleveland, OH), among others. His work has been exhibited in the US and

internationally, including at P.S. 1 (NYC) and Franklin Art Works (Minneapolis). He completed his MFA at Bard College and is a recent MacDowell Foundation Fellow.
