

Why BA?

Do you want to make art while exploring other areas of study?
Do you want to put your love of art to use in a career?

What you get:

- > A well-rounded studio art education fused with interdisciplinary academic interests
- > Preparation for the workplace
- > Potential for double majors, minors, and certificates (such as Communications, Art Education, Museum Studies, Entrepreneurship)
- > Study abroad opportunities through Global Scholars and International Programs
- > Opportunities for advanced, individualized research and gallery exhibition
- > Experiential learning and career development through internships

If you want the chance to customize your learning experience by combining art with other interests — this is for you!

Why BFA?

Are you ready to make your own artwork? This program is for you!

What you get:

- > An intensive studio art environment
- > 65% or 2/3's of your courses are in ART and DESIGN
- > 24-hour access to your own studio
- > Become part of a dedicated community of makers
- > Pursue independent research with faculty support
- > Run your own student-run gallery space
- > Specialized course work with a focus on professional practice
- > Access to the Lightbox, a photographic lighting studio, and BFA computer lab
- > Exhibiting is a requirement for this program and your thesis work is shown in the museum

If you want a career as a professional artist or designer this is for you!
