**Why BA?**

Do you want to make art while exploring other areas of study? Do you want to put your love of art to use in a career?

**What you get:**
- A well-rounded studio art education fused with interdisciplinary academic interests
- Preparation for the workplace
- Potential for double majors, minors, and certificates (such as Communications, Art Education, Museum Studies, Entrepreneurship)
- Study abroad opportunities through Global Scholars and International Programs
- Opportunities for advanced, individualized research and gallery exhibition
- Experiential learning and career development through internships

If you want the chance to customize your learning experience by combining art with other interests — this is for you!

---

**Why BFA?**

Are you ready to make your own artwork? This program is for you!

**What you get:**
- An intensive studio art environment
- 65% or 2/3’s of your courses are in ART and DESIGN
- 24-hour access to your own studio
- Become part of a dedicated community of makers
- Pursue independent research with faculty support
- Run your own student-run gallery space
- Specialized course work with a focus on professional practice
- Access to the Lightbox, a photographic lighting studio, and BFA computer lab
- Exhibiting is a requirement for this program and your thesis work is shown in the museum

If you want a career as a professional artist or designer this is for you!
